

REMARKS

Claims 1 and 42 have been amended. Claims 1, 2, 4, 5, and 42-45 are pending and under consideration. No new matter is presented in this Amendment.

STATEMENT OF SUBSTANCE OF INTERVIEW

An in-person Examiner Interview was conducted between Examiners Thai Tran and Gelek Topgyal and Mr. Jung and Mr. Yang of Samsung Electronics Co., Ltd., and Representative Nathan Cristler on April 22, 2009. The application of Kato et al. (U.S. Patent Application Publication No. 2002/0164152) to claims 1 and 42 was discussed. An agreement was reached that the claims as amended above would overcome the Kato reference.

REJECTIONS UNDER 35 U.S.C. §102:

Claims 1, 2, 4, 5, and 42-45 are rejected under 35 U.S.C. §102(e) as being anticipated by Kato et al. (U.S. Patent Application Publication No. 2002/0164152). An agreement was reached in the Examiner Interview of April 22, 2009 that the claims as amended above would overcome the Kato reference. As such, it is respectfully requested that the above rejections be withdrawn and that claims 1, 2, 4, 5, and 42-45 be allowed to issue.

CONCLUSION:

There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

Finally, if there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 503333.

Respectfully submitted,
STEIN, MCEWEN, LLP
